

Srivikaat Ravi

Olympia, Washington • +1 (360) 559-2598 • vikaat08@gmail.com • linkedin.com/in/srivikaatr

3 years of experience in leading and founding STEM initiatives. Successfully organized team management for FRC Team 4450. Founded FIRST STEP ORG, reaching 60+ students in two years. In less than 2 years, made significant strides in bridging the gap between education and STEM opportunities.

WORK EXPERIENCE

Olympia Robotics Federation - FRC Team 4450

06/2024 - Present

Team Captain • Full-time

- Restructured team leadership, forming a necessary chain of command ensuring success of the team.
- Organized workshops for each subdivision of the mechanical aspect of building a robot to train rookies.

OHS Stock Market Club

04/2024 - Present

OHS Stock Market Club is a club at OHS that's main goal is to educate club members with the ins and outs of the stock market while playing a simulated game with other club members.

Founder/Club Secretary

- Organized stock market game simulation for club members to learn how the stock market works and to learn how trading brokerages work and planned a curriculum along with other club officers that we teach every meeting occurring once a week.
- Organized fundraising plans for club treasurer.

FIRST STEP ORG • Olympia, Washington

06/2023 - Present

Founder • Full-time

- Collaborated with local middle schools to establish and support middle school robotics teams.
- Successfully raised funds for registration and other expenses to run 6 FLL teams.
- Revived FLL robotics teams in 4 of 6 local middle schools, reaching over 60 students in less than 2 years.

Headstarter AI • Remote

07/2024 - 09/2024

Headstarter AI Fellowship

- Learned the basics of HTML, CSS, & JavaScript to develop a personal portfolio website.
- Mastered the GitHub workflow

Olympia Robotics Federation - FRC Team 4450

05/2023 - 06/2024

Chief Communications Officer & Electrical Lead • Full-time

- Facilitated seamless project management within a 40+ member team.
- Collaborated with the team captain and mentors to ensure resource accessibility for all team members.
- Developed proficiency in electrical engineering, contributing effectively to the robotics team.
- Engineered high-performing robots for FRC Competitions, demonstrating strategic design and technical expertise.

OHS Aerospace Club • Olympia High School

03/2023 - 03/2024

Club Secretary/Founding Officer

- Founded the OHS Aerospace Club. Managed club emails and secretarial tasks. Our club's mission is to empower and inspire students to pursue a career in STEM, which we do through designing, building, and flying high-performing model rockets.

InspiritAI • Remote

06/2023 - 08/2023

Inspirit AI Scholar

- Learned basics of AI, ML, & Convolutional Neural Networks. Learned how to use Python to develop a computer vision system to run real-time object detection on cars and moving objects.

EDUCATION

Olympia High School

High School Diploma

09/2021 - 06/2025

South Puget Sound Community College

Associate's degree in Computer Science

09/2023 - 06/2025

CERTIFICATIONS

AWS Academy Graduate - AWS Academy Data Engineering

06/2024

Amazon Web Services (AWS)

AWS Cloud Quest: Cloud Practitioner

02/2024

Amazon Web Services (AWS)

Certificate of Completion - AI Scholars Program

08/2023

Inspirit AI

Seal of Biliteracy - Tamil

04/2022

Global Seal of Biliteracy

VOLUNTEERING & LEADERSHIP

Olympia Robotics Federation

04/2023 - Present

Camp Founder/Lead Organizer • Olympia, WA

Camp Khitomer is a summer camp meant for elementary through middle schoolers, introducing high school & middle school level robotics to participants.

Set up payment portal through SquareSpace, advertised summer camp to our local community & Mentored over 50 kids for a week-long summer camp.

FIRST

10/2021 - 06/2024

Youth Mentor

Mentored FLL Robotics to Elementary School and Middle School Students

Timberland Regional Library District

08/2022 - 04/2023

Teen Tech Tutor

Teen Tech Tutors is a program at the Olympia Library where teen volunteers are paired 1-on-1 with adults and senior citizens who have minimal experience with technology that wants help learning to use their computer or mobile device.

Camp CairoBots

08/2022 - 08/2022

Camp Software Technician/Programming Instructor • Cairo, Egypt

Helped host a 6-day STEM camp in Cairo, Egypt that introduced FTC robotics to all of Egypt for the first time to students in need with a passion for STEM.

Taught Java programming as well as block coding to students.

AWARDS & SCHOLARSHIPS

Presidential Volunteer Service Award - GOLD

10/2024

Americorps

1st Place in Securities & Investments Knowledge Event

02/2022

Future Business Leaders of America | FBLA Winter Regional Leadership Conference 2022

SKILLS

Adobe Creative Suite, Community Outreach, Convolutional Neural Networks, Educational Services, Java, Linux, Mentorship, Robotics, Team Management, Technical Leadership, Web Design
